

PRIZES

Register for Summer Reading and then see a librarian to collect a registration prize! Use the Beanstack App, or this paper log, to track how many books you have read (or listened to). Once you finish, come to the Library to collect your finisher prize! Prizes can be collected starting on July 8th. Readers must complete the SRP by August 3rd to qualify for a finisher prize.

A HUGE THANK YOU TO ALL OF OUR SPONSORS!

This project is supported in part by the Institute of Museum and Library Services and the Library of Michigan.
