All quantities indicated are estimated amounts for one (1) year and may vary during the course of the contract. The estimated quantities are used for assisting in the determination of the lowest responsible bidder. It is the intent of the City to purchase the services in the quantity and frequency as listed in this bid, however, the City reserves the right to reduce or eliminate this purchase without prior notice. The City reserves the right to split and/or reject all bids to realize the greatest cost savings.

Several Utility Structures are in need of repair.

Each pay item in the contract shall include labor, time and material needed for restoration to meet City standards. Invoices will be reviewed and paid based on pay item unit prices bid multiplied by the actual quantities required to complete the work at a jobsite. Award of the contract will be based on the unit prices submitted. The City reserves the right to add or delete quantities from the bid.
