### Narrative

CDBG activity types are allocated to LMI residents, and eligible census tract areas established by HUD, throughout the city.

## Leveraging

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

Community Development Block Grant funds will leverage additional resources as follows:

- Public Infrastructure & public facility projects will be supported with other funds from participating jurisdictions
- Rehabilitation funds will leverage Weatherization and other sources to expand the scope of rehabilitation assistance

HOME Investment Partnership Funds will leverage additional public and private investment:

- Homeownership investment will leverage funds from other agencies such as the Michigan State Housing Development Authority and other funds
- Rental projects supported by HUD will leverage additional funding from Federal Home Loan Bank programs, the application of Low

Income Housing Tax Credits and corresponding private equity investment, private construction and acquisition financing; and other sources

- HOME match requirements are achieved via in-kind support of numerous agencies, the donation of labor and materials on numerous homeowner projects, and the application of payments in lieu of taxes for affordable housing developments in numerous communities

Local Sources – Subsidized Housing – There are six separate subsidized apartment complexes in the City that provide 1,033 apartment units to low and moderate-income individuals, families, elderly, and the physically disabled. Of this total, 617 or 60% of the units are for families and individuals and 416 or 40% of the units are restricted for the use of elderly and the physically disabled. At least two of the senior citizen apartment complexes provide services to tenants assisting them with transportation, shopping, medical, food, postal, and other services.

Churches – Nine churches in Sterling Heights currently use their facilities as a temporary shelter for one week each year as part of the Macomb County Rotating Church Emergency Shelter program. Two churches in Sterling Heights currently assist the Macomb Warming Center. Church volunteers provide all the food, bedding, and miscellaneous items needed to accommodate their guests.

### Local Christmas Food Drive Organizations

Sterling Heights – Morning Kiwanis Club

Sterling Heights High School – 12901 15 Mile Road

St. Ephrems Church – 38900 Dodge Park Road

St. Matthias Catholic Church – 12509 19 Mile Road

Sterling Heights Department of Public Works – 7200 18 Mile Road

Federal Sources – In addition to CDBG funds, the City is entitled to HOME funds through its membership in the Macomb HOME Consortium and receives forty Section 8 rental assistance vouchers.

CDBG grant funds allow for the City to reach into the community and affect change through education programming, code enforcement, affordable housing, public infrastructure improvements and public services.

## CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

Table 6 - Number of Households Supported

### Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The City's public housing facility and Section 8 Certificates are our primary means of achieving affordable housing. Schoenherr Towers (senior and disabled housing), the City's only public housing facility with 153 units was occupied 99% during 2015 2016.

No new resources for funding have been identified by the City of Sterling Heights.

### Discuss how these outcomes will impact future annual action plans.

The City of Sterling Heights currently receives forty Section 8 Rental Certificates.

The management firm currently managing the City's allocated forty Section 8 Housing Choice Vouchers set a goal of attracting at least two additional landlords each year willing to accept Section 8 Vouchers. Additional landlords would help eliminate a barrier to affordable housing within the City.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Persons Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	1,327	0
Low-income	1,343	0
Moderate-income	68	0
<b>Total</b>	<b>2,738</b>	<b>0</b>

**Table 7 – Number of Persons Served**

### **Narrative Information**

CDBG and HOME funds were specifically used to address the priorities identified in the Consolidated Plan and Annual Action Plan. The City of Sterling Heights in cooperation with community partners, addressed affordable housing using both CDBG and HOME funds.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

There are several outreach programs that work daily to locate and refer homeless households to the appropriate facilities and programs. In the 2015 2016 program year, CDBG funds were used to fund four homeless care providers, Macomb County Rotating Emergency Shelter Team (MCREST), Salvation Army's Macomb's Answer to Temporary Shelter (MATTS), Macomb County Warming Center, and Turning Point. MCREST is a rotating shelter utilizing nine churches in Sterling Heights for one week each year to provide shelter, meals, and transportation for homeless individuals. MATTS provides shelter, casework, advocacy, transportation, life-skills training, clothing, and medical assistance to participants for a maximum of thirty consecutive days in a calendar year. The Macomb County Warming Center is a rotating shelter, operating from November to March, which utilizes two churches in Sterling Heights for one week each year to provide shelter, meals, and transportation for homeless individuals. Turning Point provides a safe place for families fleeing violent situations. Program includes court advocacy, sexual assault services, PPO assistance, support groups, and education.

The Amelia/Agnes Transitional Home located in Sterling Heights provides shelter to five women with no more than three children each. The goal of the Amelia/Agnes Home is to provide women with skills to become economically independent and self-sufficient. Families are provided with weekly counseling, access to domestic violence empowerment groups, life skills, on-site childcare, transportation, referrals, and other supportive services. This facility did not request CDBG funding from the city for the 2015 2016-program year.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of Sterling Heights does not receive ESG grant funding.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City actively seeks shelter and supportive service providers to request Block Grant funding. The City

also works with the Macomb Homeless Coalition to assist in a countywide action plan to address the needs of subpopulation groups in Macomb County.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

#### Continuum of Care

CDBG funds were used to fund four homeless care providers, Macomb County Rotating Emergency Shelter Team (MCREST), Macomb County Warming Center, Salvation Army's Macomb's Answer to Temporary Shelter (MATTS), and Turning Point during the 2015 2016 Program Year. Each shelter addresses the homeless in its own way. The City also provides ongoing Chore Services and Minor Home Repair services to the elderly, frail elderly and physically challenged residents as a supportive housing initiative.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City of Sterling Heights has one Public Housing Facility, Schoenherr Towers (senior and disabled housing), with 153 units which was occupied 99% during 2015 2016 fiscal year.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The City's public housing facility and Section 8 Certificates are administered by a management company. Any concerns at Schoenherr Towers are addressed when a resident/potential resident completes a Reasonable Accommodation Form and requests a modification to a unit. An example of a reasonable accommodation would be to install handrails or grab bars. An unreasonable accommodation would be to move walls. Currently, all doors are wheelchair accessible. Schoenherr Towers maintains a log of all requests for accommodations.

### **Actions taken to provide assistance to troubled PHAs**

No actions have been needed.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City is currently updating the Master Land Use Plan. This extensive undertaking is still under review with the Planning Commission.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The City of Sterling Heights has a free minibus service program that meets an underserved need of seniors and handicapped individuals. The bus service is provided curb to curb. This program follows a weekly schedule. One day each week residents are provided transportation for grocery shopping. Three days each week, transportation is provided for medical and dental appointments and for beauty shop and other appointments. Once a month mall trips are scheduled. Two days a week service is available to and from the Senior Activity Center. In addition, Monday through Friday transportation is available to a work or school site.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

During the program year, the City of Sterling Heights, and its partners in an effort to raise the standard of living and the ability of individuals to achieve self-sufficiency, the City of Sterling Heights supports the Macomb Community College Single Parent/Displaced Homemaker Program. This program offers tuition, books, transportation, childcare, and other fees to qualified individuals for various degrees and certificate programs. This activity has a two-fold purpose. For example, by obtaining a Nursing Degree, residents are able to obtain a usable skill and fill a critical shortage in society.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City Development Manager and Schoenherr Towers Property Manager coordinate relations and act as a liaison between the City and other agencies to support programs and activities designed to assist and further the housing goals and the needs of subpopulation of residents in the City.

### **Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

There are five entitlement cities/townships in Macomb County. In addition, Macomb County, itself, is

an entitlement. Through mutual efforts, the entitlements are assisting various public service agencies in Macomb County. The Macomb Homeless Commission meets monthly to provide a forum for homeless service providers to discuss barriers for returning to the path of self-sufficiency. Additionally the MHC hosts forums specifically for those experiencing homelessness, or nearly homeless.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

Actions taken during the program year to address these needs include:

- Staff attended Fair Housing Classes through the Fair Housing Center of Metropolitan Detroit.
- Expanded the number of affordable rental units through HOME funded project as part of the Macomb HOME Consortium
- The Sterling Heights Housing Commission administers Section 8 Housing Choice Voucher programs. The Executive Director of the Housing Commission is a City Staff member.
- Partnered with Habitat for Humanity to build new, affordable, single family homes for LI homebuyers through HOME funding. This at least partly addresses and corrects past discriminatory housing practices. Administered CDBG funded housing preservation and rehabilitation programs for LMI owner-occupants, including disabled owners.
- Supported the Macomb Homeless Coalition to develop a complete and cohesive Continuum of Care for the County.
- The City of Sterling Heights has issued a written policy, "Fair Housing Complaint Process". This policy is to address the handling of fair housing complaints received under the City Charter and Code of Ordinances. The process states that all fair housing complaints received by an employee are to be brought immediately to the attention of the City Manager. Upon review of the complaint, the City Manager may enlist the assistance of the City Attorney's Office or the Police Department depending on the nature of the complaint for prompt and satisfactory resolution. If no resolution is achieved, the City Manager or appropriate designate may consult with the complainant and refer the matter to the Fair Housing Center of Metropolitan Detroit or the Michigan Civil Rights Commission.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

With a focus on ensuring compliance, the Sterling Heights staff includes program requirements in all contractual agreements (including outreach to women and minority owned businesses), sponsor orientation sessions and provides technical assistance. Staff defines clear expectations regarding performance standards, policies and procedures.

Staff conducts annual onsite programmatic and fiscal monitoring reviews of CDBG human services agencies at least once every two years (more frequently if the subrecipient is new or is having difficulty meeting program or contract requirements.) Staff ensures systems are in place to verify income eligibility and residency and reviews the agency's financial management systems, audits, federal 990, policies and procedures, their files and records of federally funded projects completed in the past year. Staff prepares a final monitoring report that summarizes the information gathered during the site visit, including findings and concerns, and forwards a copy of the report to the agency. Regular review of monthly or quarterly reports, program evaluation forms, program visits and phone calls are also part of program monitoring procedures.

Staff will ensure compliance with all program regulations for CDBG. Components of project monitoring include compliance with eligible activities and National Objectives, HUD program rules and administrative requirements, as well as progress against production goals, needs for technical assistance, and evidence of innovative or outstanding performance. Financial monitoring ensures that subrecipients comply with all of the Federal regulations governing their financial operations. This includes reviewing original supporting documentation for financial transactions, time sheets, tracking expenditures into the general ledgers, check books and bank transactions, internal controls, reviewing financial transactions to ensure that they are within the approved budget, and that expenditures are eligible and reasonable. Rehabilitation Specialists conduct onsite inspections, lead based paint assessments, monitor the progress of construction and rehabilitation completed by contractors and subcontractors, and ensure code compliance.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

The City Development Office follows the City Council approved Citizen Participation Plan, which meet HUD requirements to propose and approve activities to be funded with grant funds. Four Public Hearing were held to solicit citizen comments on the potential uses of HUD funds allocated for FY 2015

2016. These public hearings were held between September 2015 -March 2016 at the City of Sterling Heights City Hall. One meeting held on December 7, 2015 was held for the sole purpose of soliciting input from citizens and public service providers. Notice of these meeting were published in the local C and G Newspaper, as well as on the cities website and local TV channel.

The public is invited to attend an annual public hearing to evaluate the performance of the Community Development Block Grant. Historically, there has been very little comment on the CDBG program.

**CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

On April 14 2016 the Citizen Advisory Committee reviewed and made it's recommendaions for CDBG funding allocation. on May 5, 2016 the City Council approved the 2015/16 Community Development Block Grant (CDBG) One-Year Action Plan (the Plan).

No Substantial amendments were done in this fiscal year.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

## City of Sterling Heights

### Summary of the Consolidated Annual Performance and Evaluation Report (CAPER) 2015-2016

#### Assessment of Five-Year Goals and Objectives

As a member of the Macomb HOME Consortium the seven priority objectives listed in the consortium's 5-year Consolidated Plan are based on the advice and comments received from residents and stakeholder organizations, and using general knowledge of conditions and needs in the county. The Consortium and its individual members expect to address each of these priorities during the life of the 5-year Consolidated Plan.

The City's Five-Year Consolidated Plan (2014 to 2018) as part of the Macomb Home Consortium contains the following seven priorities:

- Priority Objective #1 – Public Facilities and Infrastructure
- Priority Objective #2 – Make Available Appropriate Housing
- Priority Objective #3 – Address the Needs of the Homeless and At-Risk Families
- Priority Objective #4 – Provide and Expand Human Services
- Priority Objective #5 – Foster Economic Development
- Priority Objective #6 – Address the Foreclosure Crisis

- Priority Objective #7 – Expand Comprehensive Planning & Management & Capacity Development

**Objective #1: Public Facilities and Infrastructure**

Improve access to public facilities that provide for the health, safety, and welfare of the community. Increase the safety and livability of low- and moderate-income neighborhoods that benefit low- and moderate-income households.

**Projects:** Senior Center Improvements

**Objective #2 Make Available Appropriate Housing**

Eliminate blight, and conditions detrimental to the health, safety, and welfare of citizens. Coordinate and support housing assistance programs designed to rehabilitate and maintain housing stock primarily for low- and moderate-income homeowners. Eliminate lead-based paint hazards and improve energy efficiency.

**Projects:** Single-family homeowner rehabilitation; Minor Home Repair; Section 8 Vouchers

**Objective #3: Address the Needs of the Homeless and At-Risk Families**

Provide for the continuation and improvement of human services targeted toward extremely low-, very low- and low-income individuals in order to improve their overall quality of life. Increase the supply of supportive housing by funding services to enable persons with special needs to live in dignity and independence. Assist persons at risk of becoming homeless. Programs meet the City's goals and priorities and will increase housing stability and promote individual and family economic and social stability.

**Projects:** MATTS, MCREST, WW Community Connections Inc., d/b/a Hope Center of Macomb, Turning Point, and Macomb Warming Center.

**Objective #4: Provide and Expand Human Services**

Provide improved human services, particularly as they relate to individuals and families made homeless, or who risk homelessness due to job loss or underemployment. Those affected spend inordinate amounts of time seeking essential services only to find them not offered or inaccessible. Municipal resources are overextended, despite the compelling need to serve these people.

**Projects:** Special Recreation, Home Chore, Care House, and Library Books for the Homebound.

**Objective #5: Foster Economic Development**

Economic development, job creation, and business attraction and retention continue to be a priority for Macomb County residents. Public Engagement conducted for this plan noted the need work to eliminate blight in low-income areas and the retail/commercial clusters that serve them. Macomb County is still recovering from a period of severe recession. As a result, many families are still unemployed or face unemployment.

**Projects:** Macomb Community College Single Parent Education Program,

**Objective #6: Address the Foreclosure Crisis**

The City will address this objective through programs developed and funded through the Neighborhood Stabilization Program such as the down payment and housing rehabilitation assistance for income eligible homebuyers purchasing foreclosed properties.

**Projects:** Code Enforcement –The cost incurred for residential inspections for code violations for properties located in low- to moderate-income census tracts service areas hit hardest by foreclosures (continued from prior year)

**Objective #7: Expand Comprehensive Planning, Management and Capacity**

We need be able to effectively anticipate and address the rapidly changing economic, social and demographic environment in the County.

Objectives #3, #4 and #5 include public service activities. Public service activities funded by the City must address the following Community Goals:

#### Homeless Prevention Activities:

- Reduce the incidence and onset of homelessness
- Reduce the negative impact and duration of homelessness
- Increase/maintain housing stability
- Provide emergency shelter for those who are homeless

#### Older Adult Services:

- Increase access to support services that will help older adults maintain maximum level of self-sufficiency

#### Individual/family economic and social stability:

- Promote economic stability for lower income families
- Assist individuals with special needs to achieve/maintain maximum level of independence
- Increase access to educational supports to maintain/improve employability skills

In order to ensure compliance with program requirements, a monitoring visit is made at least once during the program year to each subrecipient's facility. The visit includes talking with employees responsible for program implementation and random case file review. Case file review includes proof of program eligibility, services provided, and number of Sterling Heights residents served by each program.

## Geographic Distribution

**Senior Center Improvements:** Improvement to an existing City facility, included replacement of carpeting, replacement of operable partition walls, sidewalk and parking lot improvements.

**Project Location:** 40200 Utica Road, Sterling Heights, MI 48313

### Self-Evaluation

The overall goals of the community planning and development programs are being met. Our broadest goal is to preserve and expand the City's tax base upon which to a large degree, municipal revenues and resultant public welfare depends. Perhaps the most effective programs and projects undertaken with CDBG funds have been neighborhood improvements, housing rehabilitation, and community services to the elderly.

The following chart identifies the activities and the proposed number of persons or households to be served with the actual number served. ***Please note: for most public service activities, the***

*costs related to providing services for the actual number of Sterling Heights residents reported exceeded the city's CDBG funding award and were covered by other sources.*

Activity	Proposed	Actual*	Income Level	Race/Ethnicity
<b>Home &amp; Property Improvement Program</b>	4	3	ELI – 0 LI – 3 MOD - 0	White–3 Black/AA-
<p><b>Comments:</b> The 2015/16 Annual Plan proposed to rehabilitate 4 homes. The actual number of rehabs was 3. These 3 homes were rehabilitated using remaining 2009/10 &amp; 2012 funds and program income. New reporting in IDIS does not reflect this information.</p> <p>The City's Home &amp; Property Improvement Program did not meet the number of proposed units for the following reasons: 1) Applicants failed to meet the criteria of the program; and 2) many potential applicants expressed that they were looking for a grant program and were not interested in a no-interest deferred payment program.</p> <p>Promotional efforts will be increased through the City's Community Relations Department. In addition, select City staff assigned to the field now carry promotional material.</p>				
<b>Home Chore</b>	300	414	ELI–313 LI-93	White – 407 Hispanic – 0 (incl. in white) Black/AA-1 Asian-6
<p><b>Comments:</b> Delivery of this activity is accomplished by partnering with Macomb County Community Services Agency (MCCSA).
